

LAKE BLUFF HISTORY MUSEUM

Hystori-cal Trivia Hunt FAQs

Who can do the Hystori-cal Trivia Hunt?

The hunt is for anyone 21 and older (the event includes two drinks: one at the start and one after answer sheets are turned in at the Brewery) who can walk the route which covers a little over a mile in east Lake Bluff. We recommend teams of 2-4. If you are part of a larger group, you can walk around together, but we suggest you split into teams to make it more competitive and fun. If you want to be paired up with others to create a foursome, let us know and we'll try to make that happen.

Do I need to Know Lake Bluff History?

No! This event is designed so that participants can find answers to all but a few more esoteric questions (added to challenge everyone regardless of their history smarts) on their hunt.

How long is the Hystori-cal Trivia Hunt?

We suggest you plan at least 2.5 to 3 hours to enjoy a drink at Lake Bluff History Museum before your team starts, hunt for and answer the questions (this part takes approximately 90 minutes depending on how much fun your team is having on the hunt!) and enjoy another drink at Lake Bluff Brewing Company to celebrate completion. Most teams choose to hang around until the winners are announced but that's entirely up to you.

What is involved (included) in this event?

Participants start at the museum where they receive the game packet (a map, directions, questionnaire and answer sheet) and enjoy a drink while they review instructions and plan their hunt. The event combines elements of a scavenger hunt with a trivia contest. When teams have answered all questions, they head to the Lake Bluff Brewery to turn in their answer sheets and enjoy a drink while results are tallied and winners announced.

What else should I know?

Teams can start anytime between 5 pm and 6:30 pm.

Winners are announced after all teams have finished and results have been tallied. Winners need not be present to win, but we hope you hang around!

Past participants (this year's event is a three-peat) raved about the event and had fun socializing and sharing the experience in the brewery after turning in their answers: *"OMG. It was so much fun!"* was the general sentiment.
